COCKTAILS AND WINES

OUR COCKTAILS

Craft and cocktails are synonymous to us. Whether you're pining for the classics or our signature creations, our cocktails are made with only the finest spirits with great personality.

Guided by fermentation and infusion techniques, we have embraced every part of our ingredients to bring out the best in the most unexpected ways.

Order from our selection of signature and classic cocktails, or if you are looking for custom wine menus or selections from particular themes, regions, or needs, let our team of sommeliers recommend you the perfect bottles.

PLATES FOR SHARING

To complement our cocktails, we have created a menu of small plates, driven by the same spirit as Le Bon Funk. Humble bites that hit close to home — perfect for an evening of smooth tunes and great company.

View our sample menus for food and beverages [here](#).

TAILORING OUR SPACE TO YOUR NEEDS

MUSIC

Our speakers are designed by Berlin-based sound masters H.A.N.D. HiFi that are perfectly tuned to our space, filling it with warm sounds all night long.

Share your playlist with us or bring your own AV equipment for your special events. Speak to us if you'd like for a DJ to curate a special night for you.

DECORATION

You may customise the space with your own decoration and props, within spatial constraints. Feel free to enquire while booking.

MINIMUM SPEND

We're here to recommend you the perfect experience that fits comfortably within your budget.
